

Mesa Vista Parent Meeting Minutes
April 6, 2017

Old Business

1. SBAC snack sign ups have been emailed out to families. I will need additional volunteers to help with sorting and delivery of snacks.
2. Our spring carnival is Friday, May 5th at the Hillpointe Campus. Look for more information to come home soon.
3. Spring Break! April 10th through the 14th. No school in session.

New Business

1. Mrs. Kettleson will be sending home a newsletter to families that will include the SBAC testing calendar. Testing begins on Wednesday, April 19th.
2. Mrs. Kettleson will be handing out raffle tickets to students during the SBAC testing for arriving at school on time, working hard, focus and being enthusiastic. A raffle will be held after the testing periods for prizes that include Flip N Out passes, Gravady passes and potentially much more.
3. Mrs. Kettleson sent in the School Improvement Plan to the state and it is pending approval. A presentation of the plan will be presented to the DCS Governing Board on April 27th at 6:30pm at the Mesa Vista campus. The plan will be presented to the Nevada Charter Authority on April 28th and parents are encouraged to attend and show support for Discovery.
4. Question from parent on when we will know if the plan is accepted. Mrs. Kettleson explained that it could be as soon as April 28th but we really do not have an answer.
