

DISCOVERY CHARTER SCHOOL'S ACCEPTABLE USE POLICY

PURPOSE

Discovery Charter School (DCS) recognizes the value of computer and other electronic resources to improve student learning and enhance the administration and operation of its schools. To this end, DCS encourages the responsible use of computers; computer networks, including the Internet; and other electronic resources in support of the mission and goals of DCS.

Because the Internet is an unregulated, worldwide vehicle for communication, information available to staff and students is impossible to control. Therefore, DCS adopts this policy governing the use of electronic resources and the Internet in order to provide guidance to individuals and groups obtaining access to these resources on equipment owned by DCS or through its affiliated organizations.
