ADMIN NOTES

- You can check out Discovery's State Report card at http://nevadareportcard.com/DI/nv/state_public_charter_schools/dcs
- All parents interested in joining the Parent Advisory Committee, please send an email to Dr. Nohara or Mrs. Kettleson stating your interest.
- If your child is participating in after school programs (tutoring, music, plays, etc.) please make arrangements to have them picked up on time to ensure their ongoing participation. If a student is not picked up on time twice, they will need to be enrolled in Symbolic Arts' after school program in order to continue participation.
- Middle School Families: we have received confirmation from the Magnet School office that they will accept our report cards with the Standards Based Grading. This means that all of our Middle School students applying for Magnet Schools for the 2018-2019 school year will have an equal opportunity.

*Please be aware that each week will contain info for both campuses.
