## Charter School

---

August 2, 2018

Dear DCS Families,

We are pleased to announce we have been granted conditional approval by the State Public Charter School Authority (SPCSA) for the relocation of the Mesa Vista Campus to the Sandhill Campus located at 3975 South Sandhill Road.

This means a great deal to Discovery as the SPCSA agrees with and supports Discovery's assertion that a larger, more positive environment for learning will assist DCS in capitalizing on its mission and vision. This is a step in the right direction for Discovery. The new facility will allow Discovery to enrich its educational program to better serve our students and the DCS community.

Students in Grades K-4 will attend the Sandhill Campus while students in Grades 5-8 will attend the Mesa Vista Campus. The instructional day will begin at 8:00 a.m. at all Discovery campuses but gates will open at 7:40 a.m. at the Mesa Vista Campus while gates will open at 7:45 a.m. at the Hillpointe Campus and Sandhill Campus. Students at all campuses will be able to play with their peers until the day begins at 8:00 a.m.

Opening times for the Mesa Vista Campus and Sandhill Campus were staggered to accommodate families with children attending both campuses. Discovery will also provide transportation from Sandhill to Mesa Vista for students in Grades 5-8. Families will have the ability to drop off their child at the Sandhill Campus and Discovery will transport the student to Mesa Vista. We will have more information regarding transportation soon so please contact the office if your child will require transportation. Additionally, Discovery will provide before- and after-school care at all campuses for a nominal fee.

The decision to place K-4 students at Sandhill and 5-8 students at Mesa Vista was based on middle school scheduling and student enrollment numbers.

Please contact us if you have any questions and we look forward to seeing you at our orientation Meet and Greet on Thursday, August 9th.

Sincerely,
