SHOUT OUT

Special thanks to the Sandhill families who joined us for Skate Night. Your support means a lot to DCS's students and staff.

ADMIN UPDATES AND REMINDERS

Parents, DCS needs your help! Attendance directly impacts student academic success and Discovery Charter School's star rating. Please arrange for vacations during DCS's scheduled breaks. Another vital part of student's attendance is late arrivals and early dismissals. Research has found that students who are frequently late to school miss out on activities designed to build connections with their peers, potentially impacting their social interactions and creating a greater sense of alienation from their classmates. Tardiness and early dismissal also disrupt valuable instructional time for DCS

Please remember to schedule a conference time with your child's teacher.

DCS will host a Parent's Night Out on December 7, 2018. Enjoy an evening out on the town shopping, dining, or just delight in a quiet night at home before the hustle and bustle of the holidays. Your children will spend a fun evening watching The Polar Express movie with their outstanding teachers and friends. Students will be provided with food, snacks, and drinks. The price is \$20 for the first child and \$10 for each additional sibling (3-15 years old).

*Would you like to recognize a teacher or a volunteer for going above and beyond? Just go to www.dcsnv.org and under the About Us tab, click on "Recognition".

Weekly Attendance

Hillpointe:
30% absent

Sandhill:
49% absent
